## ***“Appearance doesn’t matter” scene 2.***

Peter – Kuba

Esperanca – Maja

Bully – Lena

Mother – Daniela

The main speaker – Andrea

Narrator: Once upon a time there was a guy called Romeo and a girl Juliet. Oh sorry. That’s not a story about Romeo and Juliet but Peter and Esperanca.

Narrator: Peter was staring at a mirror. He was thinking about the day before, when someone had bullied him, because he was overweight and classmates didn’t like him.

Peter: My friends don’t accept me and I don’t accept myself either.

*Mother enters, she sees her sad son.*

Mother: Why are you sad, honey?

Peter: Mummy, what can I do with myself in order to make my friends accept me? I’m fat, my grades are bad and nobody likes me.

Mother: Oh sweetie, you don’t need to change anything to make your friends like you. If they were really your friends, they would like you as you are, you don’t need to impress anyone.

Peter: I know it, but I’m always unhappy, just by myself. Sometimes I feel alone in this world. I feel that nobody cares about me.

Mother: You’re not alone! You have me, you have your father, you have your brother... Your family accepts you. But you can lose weight easily and improve your grades too.

Peter: I want to do sports and study hard.

*2 months later (the main speaker goes through the stage)*

Peter: I went to the gym and I lost 10 kilos. I started to study hard and my marks are excellent now.

*At the Lil pump’s concert (the storyteller goes through the stage)*

*Esperanca is listening to music and a bully is pushing her.*

*Esperanca is running away and the bully is trying to catch her.*

Bully: You're stupid and ugly! Go out! It is not a place for fat people.

*Peter is helping Esperanca to stand up and he is cheering her up.*

Peter: Let me introduce myself. I'm Peter. Nice to meet you. What's your name, beautiful girl?

Esperanca: I'm Esperanca. Your Juliet!

*3 days later (the storyteller goes through the stage)*

Peter: I wrote a song for you, my beautiful Juliet.

Kuba is playing the guitar, Andrea is singing.

*1 year later (the storyteller goes through the stage)*

*Peter and Esperanca are sitting on chairs. The bully saw them hugging.*

Bully: Oh, what a surprise?! Did you fall in love with her?

Peter: Yes, I really love her. Is there anything wrong?

Bully: No, congratulations on your relationship. You are not as bad as you seemed to be, Esperanca.

## ***BULLY WARS – scene 5.***

In a far far GALAXY, in the nearby future a mighty Jedi lives. He is big, he is mean and he uses a lot of force.

Ladies and gentlemen, may I introduce you the most fearful force in the universe, this Zorro of the galaxy, this Superman of supermarkets, the one and only:

Mathew the first! (applause)

This Galaxy is the classroom and his most fierce enemies are his colleagues!

Mathew: Yes, another day in paradise!

C1: (low voice): Yeah, maybe in hell...

Mathew: What did you say?

C1: Err, hello mate!

Mathew: I'm not your mate – I'm your Jedi!

C1: Yes, master! (bows and leaves trembling)

Mathew: Listen up, enemies. Yesterday I looked up in the mirror and said : Mirror mirror on the wall, who's the fattest of them all?

Mirror: Oh, but master, you're the thinnest of them all. Try a bit to eat some more

Mathew: Are you being a smartass? Leave right now or I'll break your glass!

Mirror leaves fast!

Mathew: So I've been thinking: starting from today, all of you are going to give me your meals. If you don't do that, you'll meet the mightiness of my force. (shouts)

Did I make myself clear?

C2: (a fatter character) (starts crying) but, but.... I'm going to starve, master!

Storyteller: But in this very moment a new colleague shows up

Her name is Andrea. She just moved in town. She enters the classroom but doesn't seem to be impressed by his... mightiness

Andrea: Hi, I'm new, my name is Andrea, nice to meet you all.

Mathew: (amazed by this daring appearance) What the .....Jedi just happened? Who dares to enter my Universe without an invitation? Hey, you!

No answer

Hey, the new girl! ( along wait) Are you deaf?

Andrea: Who, me?

Mathew: Yes, you! Are you deaf or something?

Andrea: I've just introduced myself! Who are you, you cute little thing?

Mathew: (amazed and angry): What did you just call me?

Andrea: (coming to him): Cute thing ( she grabs his cheeks)! You are so fluffy, may I cuddle you/

Mathew: Get off my back or I'm going to use my force on you. I'm the Jedi, the only true one! Who are you? You...you...?

Andrea: Hi, my name is Andrea. I'm 11 and I come from a small town in Romania. I love theatre, I play the piano and sing. I also have a black belt in karate. I enjoy travelling and making new friends.

Mathew: Wait, what? Kkaarraattee???!! Black belt? Are you serious? Let's fight

Andrea: Are you sure, because last time I had a fight with a guy, he ended up not so great! (She takes off her clothes revealing a karate kimono)

Mathew: I'm not sure I want to fight anymore. I have an upset stomach, maybe tomorrow...

Andrea: Are you sure, cause I can fix you right away! But I admit I enjoy singing more than fighting Jed – who's in Galaxy

C3 Could you please sing us a song?

Andrea: Sure, it's the song of friendship, we wrote for the project, come and sing along!!!
